WHO SHOULD TAKE THIS

This ITIL Expert Certification Suite contains all the required learning materials for students wishing to progress from ITIL Foundation, through to Intermediate and ultimately become an ITIL Expert.

For those seeking a career in ITSM, the suite also provides an excellent fast track to achieving the level of ITIL Expert. We even provide FREE exam vouchers for when students are ready to sit their exams.

ABOUT THIS SUITE

With this course, you'll receive 12 months access from the date of purchase to all 11 of our accredited ITIL courses including Foundation and Intermediate levels! That's over 250 hours of potential course material including practice exams, quizzes, case studies and downloadable resources.

QUALIFICATION STRUCTURE

To become an ITIL Expert, you can do so by taking a number of different paths, but there are some key requirements:

1. Each student as a prerequisite must have passed the ITIL Foundation level exam and hold a certificate of proof
2. Students must achieve a minimum total of 17 credits from the Foundation and any combination of Intermediate modules
3. Certain credits achieved from earlier qualifications and complementary

qualifications can also count towards these 17 credits

4. Managing Across the Lifecycle (MALC) must be taken to ensure a total credit score of 22 (the minimum required for ITIL Expert Certification)
